Series: Waiting Here For You

Text: Galatians 4:4-5

Gather the family or meet up with some friends, grab your Bible, open to Galatians 4:4-5 and discuss the following questions.

- 1. What is something that you have waited a long time for? What was the waiting like? What was it like when the moment/thing/etc. finally came?**
- 2. What do you think it was like for the people of God as they waited for the Messiah to come?**
- 3. Have you ever waited on God for something? If so, what was it?**
- 4. How does the birth of Jesus (Christmas) help us trust God even when we are waiting for Him to come through?**
